

Katherine Zorensky

Founder of Technology of Love
 Founder of Living Tantra Podcast
 Feminine Embodiment Facilitator
 Shaman & Doula
 Author & Mentor

Bio

As an internationally recognized Womb Shaman and Embodiment Guide, I have been guiding hundreds of women and men into soul embodiment through classical tantra and western shadow work for almost 2 decades.

Founder of Technology of Love, a platform of embodiment which is dedicated to initiating leaders, teachers, and facilitators deeper into an honest embodiment of their passion, power, and purpose. The result is a stronger transmission of their gifts and wisdom shared with their communities.

Author of *The Soul's Guide to Birthing: Birthing a New Paradigm*

The Soul's Guide to Birthing invites you into the initiations of sacred relationship and co-creation of children, projects, and paradigms.

What people say

"Katherine is masterful at teaching you how to unlock the body's natural technology, enabling emotions to become powerful allies, creativity, and insights to flow with more ease and an increased capacity for love." — **Amanda 'Pua' Walsh, Founder of Astrology Hub**

"Katherine's presence and the tools she has taught and shared over the many years I have been studying with her have TRANSFORMED my life. — **Nicola Cunha**

"Studying with Katherine I experienced profound transformation in my life. I have been working under her guidance since then. Through her teachings and deeply held sacred containers, I have been able to embody and live from more of my essence." — **Melekai Matson, Director of Hawaii Tantra Fest**
